## PHILOSOPHY OF EDUCATION

Holy Rosary Catholic School exists for the purpose of assisting parents in the formation of their children according to Catholic principles. We are committed to transmitting our Catholic heritage to all students and enabling them to experience the Gospel in daily life.

Students are recognized and respected as unique individuals reflecting the image of God. Teachers affirm the self-worth of each student and promote their desire to grow in his or her talents and abilities. Teachers empower the students to reach their full potential, and also provide for individual differences in learning. A secure foundation in basic skills is the support for academic excellence, which is enhanced by enrichment courses.

Religious education fosters faith and moral development in each student. Through Christian service, the students incorporate what they learn in daily life. Prayer, education, and service assist students in beginning their lifelong journey according to our faith tradition.

### **FACULTY VISION STATEMENT**

As parents and educators, our most important goal is to ensure that every member of the school community will develop a personal relationship with God. Christ is the reason for our school. Rooted in the teachings of Jesus, Holy Rosary School is enriched by Catholic tradition and lived Gospel values, and is enhanced by the daily prayer and weekly celebration of liturgy and sacraments. The Eucharist is the heart of life in our school, and we draw our strength from it. We teach the students to respond to the universal call to holiness and encourage them to grow in virtue. We further nurture children's knowledge and the practice of their faith and guide them to serve others through the use of their gifts and talents. We help the children in character formation based on Catholic values and morals.

Holy Rosary School works to create an atmosphere that mirrors Christ's Gospel of love, recognizes the dignity of each person, and encourages each student's ownership of his/her own speech and actions.

Holy Rosary School wants each student to become a lifelong learner, with experiences that empower him/her to search for the truth, to employ his/her creative imagination, to think critically and independently, to exercise right judgment, to make free and responsible choices, and use their gifts and talents in service of others.

Holy Rosary School strives to aid the parents in forming students to become Disciples of Christ and upright citizens, empowering them with a joyful vision and hope of a better world. Holy Rosary School encourages and equips students to make a difference in this world by embracing God's Will and helping to bring about the Kingdom of God.

## **ADMINISTRATION HEIRARCHY**

### THE BISHOP

The Bishop, as the chief representative of the church's teaching authority, is the head of the Diocese of Lansing System of Schools. The Superintendent carries out the administration of schools.

### ACCREDITATION AND MEMBERSHIPS

Holy Rosary Catholic School is accredited through the Michigan Non-Public Schools Accrediting Association. Holy Rosary Catholic School is a member of the Michigan Association of Non Public Schools (MANS) and the National Catholic Educational Association (NCEA).

### SUPERINTENDENT

The Superintendent of schools is the organizational and instructional leader in the system of Catholic schools for the Diocese of Lansing. He provides the vision for all the Catholic schools.

### ASSISTANT SUPERINTENDENT

The assistant superintendent assists the superintendent and possesses full administrative responsibilities, which include: directing and coordinating the Catholic school's office, coordinating and supervising the central administrative services for the efficient operation of all Catholic schools, principals, and standards for accreditation.

### GENESEE COUNTY CATHOLIC SCHOOL EXECUTIVE DIRECTOR

The Executive Director of the Genesee County Catholic Schools has been hired by the pastors of Genesee County to work with principals and pastors in strengthening the belief that Catholic schools possess a unique capacity to assist families in the education of their children and the formation of the children in the Catholic Faith.

Working together with pastors, principals, parents, and members of the Catholic community, the hope is that the Executive Director will enable our Catholic schools to become more efficient, more effective, and more accessible. This gives a special opportunity to every family who desires to combine "college and work ready" preparation with intentional efforts to also help their children become ready for "life" and "eternal life."\*\*taken from former Bill Haley, Executive Director of Genesee County Catholic Schools

### PASTOR

Holy Rosary School is under the pastoral and spiritual leadership of the pastor, who ensures that the teachings of the Catholic School are clearly and accurately presented. He has the ultimate responsibility for the school.

### PRINCIPAL

The principal is the educational leader of the school, possessing full administrative responsibility for the instructional program of the school. The principal is held accountable for school policies as outlined in the Diocese of Lansing Educational Department, Accreditation, Principles and Standards, etc.

### TEACHER

The teacher's primary responsibility is classroom instruction. The teacher is responsible for supervision of students, effective communication with the school community and following the curriculum guidelines for the respective grade level as provided for by the Diocese of Lansing Curriculum Guidelines.

## **SCHOOL AND HOME PARTNERSHIP**

A strong, cooperative partnership between school and home is an essential ingredient in providing an effective education. Occasionally, there may be varying opinions and ideas. The best interest and needs of students must remain paramount, yet be balanced with the good of the school community. With all partners working together, the student is afforded the best educational experience.

Each parent has a significant role in the educational development of his/her child. Holy Rosary Catholic School welcomes and encourages parental involvement in the school program. If you have a concern about a classroom involvement issue, please contact the classroom teacher to schedule an appointment. If the issue remains unresolved, please contact the principal to facilitate a resolution.

Parents are expected to support and cooperate with school policies, procedures, projects, activities and to participate in scheduled parent-teacher conferences.

When a parent-school partnership is not cooperative and supportive, the child(ren) and the entire school community suffer, making an effective “partnership in learning” impossible.

## **PROCEDURES AND REGULATIONS**

### AMENDMENT STATEMENT

The school and/or principal retain the right to amend the contents of this handbook at any time. The principal reserves the right to waive and/or deviate from any and all disciplinary regulations for just cause at his or her discretion. Parents will be given prompt notification if changes are made.

## **SCHOOL ADMISSION POLICY**

Holy Rosary Catholic School is an equal opportunity, fully accredited school offering education for kindergarten through eighth grade. We do not discriminate on the basis of race, color, age, or national origin in the administration of our admission, loan, scholarship, or any other of our programs. The school adheres to the policies stipulated by the Diocese of Lansing, which are based distinctly on Catholic values and principles. Parents and students must be supportive of these principles. Priority is given to Catholic children. Non-Catholics will be accepted if the school possesses capacity for additional enrollees (Diocesan Policy #5117.1).

1. Priority will be given to presently enrolled students receiving an invitation to re-register as a result of meeting the academic and behavioral standards of Holy Rosary Catholic School. Parents and guardians must conform their conduct to a reasonable standard of cooperation and support that are consistent with the school’s mission. Tuition and fee payments must be up to date at the time of registration for the coming school year.
2. Factors considered in the admission of new students are: (1) members of Holy Rosary Parish, (2) siblings in the school, (3) children of alumni, (4) members of another Catholic parish, and (5) academic and behavioral qualifications. Parents/guardians will be asked to sign a Release of Transcript Request, which will be forwarded to the student’s former school. The student’s

records will then be sent to Holy Rosary School. A transcript will include current and past report cards, history of achievement test results, the last 2 years of behavioral reports and health records. New students may be tested before being accepted.

3. During the registration period, all required forms must be returned and fees paid before placement is assured.
4. If the school cannot meet the needs of the student or the parent(s) have not acted on the school's recommendation regarding diagnostic evaluation, the principal has the right to request withdrawal of the student (if currently enrolled) or refuse (re)admittance.
5. All new students are admitted on a probationary basis.
6. The school reserves the right to refuse admission to and call for the immediate withdrawal of any student whose presence is considered detrimental to the school's best interest.

Every student enrolled shall be immunized against vaccine preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the Michigan Department of State Health Services. A student who fails to present the required evidence shall not be accepted for enrollment. If Immunization forms are not current, a certified non-medical or physician signed medical waiver form must be on file with the office.

7. Under normal circumstances, a student should not be deprived of a Catholic education on grounds relating to the attitude of the parent. Situations may arise where the uncooperative or disruptive attitude of the parents diminishes the effectiveness of the school. The parent will be asked to agree and sign a behavioral contract. If the attitude still persists, the family may be asked to withdraw from the school.

## ACADEMIC POLICY

### GENERAL

Holy Rosary School provides a challenging academic program in solid basic studies through a traditional graded structure from kindergarten through eighth grade.

### CURRICULUM

Religious education and the transmission of faith is the primary reason for Holy Rosary School's existence. Formal religious instruction is given daily and Mass is attended weekly . Students are required to participate in all religious activities and class service projects. Religious practices in the family are strongly encouraged.

Formative assessments monitor student learning by providing feedback to instructors. It helps instructors to recognize where students are excelling and /or struggling and to target areas that need further work and emphasis.

Summative assessments are used to evaluate student learning and compare it against a standard or benchmark.

**ACT ASPIRE:** This summative assessment is given to students in grades 3 - 8 in the late spring. Students who score at or above the ACT readiness benchmarks are on target for college readiness when they take the ACT college readiness assessment in the 11<sup>th</sup> and /or 12<sup>th</sup> grade. HOMEWORK

The purpose of homework is to reinforce the newly acquired skills learned at school. It should instill a sense of responsibility, foster initiative, and enable the student to form strong and desirable study habits.

**Homework is a mandatory task.**

Research has linked students who consistently do their homework with the achievement of higher test scores and better grades. Homework supplements and reinforces the material taught in school. It allows students to practice what is taught, allows the student to apply previous learning to new topics and prepares the student for what will be covered in class the next day.

Completing work on time and forming strong study habits prepares students for the future. Time management, critical thinking and research skills are necessary for workloads the student will encounter in high school, college, and future employment.

Students in grades 3-8 will be required to write their daily homework assignments in student planners. One planner is provided for each student. If the planner is lost, a replacement may be purchased in the office at a cost of \$10.00, which covers production and shipping costs. Check every day to ensure that your student has completed and returned homework assignments to school.

It is the student's responsibility to complete the assigned work. If the work cannot be completed at school, it is expected that the student finish the work at home. Parents should:

- Provide a suitable study area free from distractions.
- Provide the necessary tools to complete homework assignments.
- Establish a specific homework time.
- Show an interest in your child's homework: Praise their efforts. If questions arise about assignments and your child asks for help, work through an example with them rather than simply providing the answer.
- Encourage your child to develop good study habits.

#### DAILY RECOMMENDED TIME SPENT ON HOMEWORK

The daily recommended homework time by the National Education Association:

Kindergarten: 10 minutes a day; includes parents reading to children.

1<sup>st</sup> grade: 20 minutes a day; includes parents reading to children.

2<sup>nd</sup> grade: 30 minutes a day.

3<sup>rd</sup> grade: 40 minutes a day.

4<sup>th</sup> grade: 50 minutes a day.

5<sup>th</sup> grade: 60 minutes a day.

6<sup>th</sup> grade: 70 minutes a day.

7<sup>th</sup> grade: 80 minutes a day.

8<sup>th</sup> grade: 90 minutes a day.

#### EDUCATIONAL ACCOMODATIONS

**RATIONALE AND POLICIES:** The purpose of accommodations of any type is to provide for the appropriate instruction of students with special needs. As a result of diagnostic testing, it may be determined that a student meets certain criteria to qualify for accommodations to his/her school work. Only students who qualify are eligible for accommodations. Accommodations may apply to the volume of work, the content covered, delivery of instruction, and grade reporting. Accommodations are used only when a student is functioning below grade level. Parents must be informed before accommodations to work/grades can be implemented. Recommended accommodations must be noted in the student's educational evaluation and reported on

the student's academic transcript. Documentation and approval by the school is needed before accommodations are implemented.

**SUPPORT SERVICES:** Testing for Special Services such as speech and language or learning disabilities is available. Occupational therapists and psychological testing, available through the Kearsley Area Public Schools, may be requested through the Holy Rosary teachers. Parental permission is required for this testing.

**TUTORIAL ASSISTANCE:** Holy Rosary offers tutorial assistance after school called a "homework room" one day per week. Referral for tutoring is made by the teachers.

#### PROGRESS REPORTS

Mid-term progress reports will be sent home in the middle of each quarter. This begins in kindergarten. The dates will appear on the annual and monthly calendars.

#### PARENT TEACHER CONFERENCES

Communication between parents and teachers is essential to a strong educational program. Parent teacher conferences are scheduled after the completion of the 1<sup>st</sup> and 3<sup>rd</sup> quarter progress reports. Conferences other than these scheduled are encouraged when the parent or teacher sees the need.

#### REPORT CARDS AND HONOR ROLL

Report cards are distributed quarterly to students in kindergarten through eighth grade.

To obtain Honor Roll status for grades 4-8, quarterly academic grades (including electives) of A or B and conduct grades of A or B are required. Holy Rosary rewards the academic achievement of its students at the end of the year awards ceremony.

#### ACADEMIC AND PERSONAL INTEGRITY

Personal integrity is regarded as the honesty and truthfulness of one's actions. Holy Rosary encourages these qualities as part of the student's character formation. Academic integrity vouches that the work completed is his or her own.

Cheating is a serious offense. Students who are involved in a cheating incident may be given a zero on the assignment and receive an E in that subject. Reoccurrence may result in disciplinary probation or dismissal.

The following list contains examples of behavior that may be considered cheating:

- Copying another person's work, in whole or in part, and turning it in as one's own work. Both the person copying and the person whose work is being copied may be in violation.
- Knowingly helping someone else cheat.
- Using material from books or the Internet without quoting sources.
- Violating test procedures (i.e., talking during tests or quizzes).
- During a closed book test, using any unauthorized information to obtain a passing grade.

#### ACADEMIC PROBATION

A student receiving two or more failing grades during a grading period shall be placed on academic probation. Students on academic probation are ineligible for participation in extracurricular activities. Students on academic probation for two or more grading periods in one school year shall be subject to administrative review and possible dismissal.

#### PROMOTION AND RETENTION

**Promotion:** A student satisfactorily completing each subject's work will be promoted to the next grade, granted they have complied with school attendance requirements.

**Retention:** Recommendation for retention of students is made by the teacher in consultation with the principal, parents, and other advisory staff. Such decisions are based on the total evaluation of a student's growth in all areas of development. In all cases, the decision for retention rests with the principal.

#### STUDENT INFORMATION MANAGEMENT SYSTEM

Holy Rosary School uses My Student's Progress (MSP) as the school information management system. This system is used as a data tracking and communication tool. Student grades, assignments, attendance and

newsletters are posted in the modules for parents to have easy access to their student(s) performance and activities.

Message alerts and updates are sent directly to a parent's phone or computer in the event of an emergency situation or the school being closed due to inclement weather.

#### STUDENT RECORDS

A file for each student (CA 60) is kept for recording attendance, scholastic progress, test results, health information, and any other information which may contribute to the understanding of the child. Teachers, counselors, and administrators have access to these records. Due to the confidential nature of these records, they are kept secure in a file in the school office.

**Transfer of Student Records:** When a student graduates from eighth grade, or transfers to another school, school records will be forwarded by mail upon written request from the new school. Complete records will be mailed to the receiving school pending a determination that all financial obligations have been met.

**Access to Student Records:** School officials may grant access to student records to: (1) authorized school personnel, or (2) the student's parent(s) or legal guardian. Arrangements for review may be made through the principal's office by written request, at least three days before the records are needed.

Generally, access to school records shall be available to persons or agencies outside the school only with the consent of parents or legal guardians, or by court order or subpoena.

#### RIGHTS OF NON-CUSTODIAL PARENTS

Holy Rosary Catholic School abides by the provisions of the Buckley Amendment, or Family Educational Rights and Privacy Act, with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, our school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

Parents may wish to furnish the school with a copy of the custody section of the divorce decree. This information will also help the school in determining when, if ever, the child can be released to the non-custodial parent.

In family situations in which a Holy Rosary student does not reside with both biological parents, a quarterly copy of the student's report card and/or the school newsletter will be mailed to the non-residing parent, per the written request of either parent.

#### SCHOOL AND CLASS INTERRUPTIONS

Classes and teachers are not to be interrupted during the course of the school day. If a forgotten lunch or book is brought to the school, the name and grade of the student is to be placed on the item and dropped off at the school office via the main school office door (South West corner). School personnel will deliver the item. Conferences, visits, etc. must be scheduled through the school office.

### **ACCEPTABLE TECHNOLOGY USE POLICY**

#### COMPUTER/INTERNET AND RELATED TECHNOLOGIES (Diocesan Policy #61242.1)

The educational programs in Catholic schools and parishes of the Diocese of Lansing require the ethical use of the Internet and related technologies by all employees, volunteers and students.

#### DIOCESE OF LANSING ACCEPTABLE USE CONTRACT FOR STUDENT TECHNOLOGY

The Diocese of Lansing, Department of Education and Catechesis encourages and strongly promotes the use of technology in the Catholic schools and Parish catechetical programs of the Diocese. To ensure that students can make full use of the technologies available, all use of technology must have proper authorization and follow the diocesan parish and school terms, conditions and regulations for the use of internet and other technologies including, but not limited to, computers, telephones, video, fax and digital camera.

These procedures apply to all computers/technologies whether located at school, parish center or office, home or anywhere else.

1. I will not use a computer unless an adult is present.
2. I will follow the Diocese of Lansing's, the School and Parish code of ethics for internet and technologies.
3. I will use only authorized computer discs. I will not use a disc from outside the school or parish until it has been virus checked.
4. I will respect the privacy of others. I will not use another's computer or computer discs, without permission. I will not use another's password, file or identity code. If I enter another's file or know that another person has, I will notify my computer teacher, principal or parish catechetical program leader.
5. I will respect my safety and that of others. I will not reveal my personal address or phone number through the use of technology. I will not allow another person to reveal my personal address or phone number through the use of technology. I will not transmit or use photographs of others without their permission.
6. I will respect the laws of the United States, its individual states and foreign countries in regard to copyrighted material; threatening, violent, or harassing material; obscene and material protected by trade secret.
7. I will not submit, publish or display any defamatory, inaccurate, abusive, obscene, profane, sexually orientated, threatening, racially offensive, or illegal material, nor encourage the use of a controlled substance.
8. I will use technology in a way which preserves it and which is an acceptable use of it. I will not vandalize the schools or parishes or anyone's data, software, hardware, or technological obligation nor make any purchase through the use of the school's or parish's technology.
9. I will attend and participate in one training session on acceptable use of the internet and local area network before I am granted the privilege of access.

*Access and use of the internet, local area networks, computers and other technologies is a privilege for the user.*

## **SCHOOL ATTENDANCE POLICY**

The value of regular attendance at school cannot be over-emphasized. A student's daily presence and participation in the classroom routine is essential to learning and academic progress. Missed class time cannot always be made up and can have a significant impact on a student's grades.

### STUDENT ABSENCE:

Parents must contact the office by 10:00AM to report an absence, giving the name, grade of student, and information regarding the cause of the absence. If your child is absent, please call the office before 10:00AM for the absence to be considered excused. We recognize the following as an excused absence.

1. Absence due to personal illness of student.
2. Absence due to sickness or death in the family.
3. Absence for doctor or dental appointments that need to be scheduled during school hours.
4. A doctor's note must be presented to the school office to be excused.

**If an absence is not reported to the office by 10:00AM, the absence will be considered unexcused. The student will not be given the opportunity to make up the work.**

A student's absence from a day's classes forfeits his/her right to attend that day's extracurricular activities, i.e. athletics, scouts, dances, etc.

### **Missed School/Homework Assignments:**

Students who are absent shall be responsible for completing work missed. It is the responsibility of the student/parent, not the teacher, to ask for make-up work and tests following an excused absence. If you want homework sent home that day, please let the office know by 10:00AM. Homework will not be ready for pick up until school dismissal. Requests for make-up work may also be made the day the student returns from an absence. Students will be allowed one school day for each day the student was absent to complete missed assignments.

### **Family Vacations:**

**Parents are discouraged from scheduling family vacations during the school year.** Please make every effort to check the school calendar and schedule any family vacations to coincide with our days off of school. As

noted above, the classroom experience cannot be replicated for students who are gone. If absence is unavoidable, every effort must be made by the student and parent to make up all work missed while the student was gone. Teachers may be asked for general topics or chapters to be covered prior to an absence, but specific assignments may not be available.

**Student Illness:**

If your child is ill, please call the school office before 10:00AM to report the absence. *Please report the nature of the illness.* The Genesee County Health Department requires schools to keep a daily record of student illnesses. It is required that a child be without a fever for a full 24 hours after an illness before returning to school.

If the student becomes ill at school, a parent or person designated by the parents on the emergency card will be contacted for arrangements for the student to be picked up. It is expected that the parent of designee will pick up the ill or injured child within one hour of the call. The student must be picked up in the school office and signed out.

**Student Injury:**

If at any time your child comes home with an injury that he/she did not report to the teacher or office personnel, and you feel it is serious, please call the school office to report it.

**Leaving Campus During School Hours:**

Students who leave early are missing critical instructional time. Parents are asked to make doctor/dentist or any other appointments after school when possible so students do not miss instruction. Time will be continuously tabulated for the marking period and be considered part of the absences. Permission for the early dismissal of a student requires a written request from the parent(s) stating date, time, and reason for the early dismissal. A slip must be filled out in advance. Parents must sign the student out in the office.

**Tardiness:**

If a student arrives late for school, the student is to report to the school office for a tardy slip, which must be presented to the teacher. If there is a valid reason for the tardy, the parent must notify the school office.

If there are more than 5 tardy events in a marking period, the student will serve a lunch detention. If there are more than 10 tardy events in a marking period, the student will serve an after school detention.

**Truancy:**

All schools within Genesee County, public and private, have created a unified policy through the office of the Honorable Duncan Beagle of the Genesee County 7<sup>th</sup> Circuit Court.

The following precedents were set:

1. When a student has missed 5 days in a semester without any legitimate excuses (doctor appointment, illness, death in family, etc.), a letter will be sent to the parent explaining the importance of attendance. A follow up phone call will be made.
2. When a student has missed 8 days in a semester without any legitimate excuses (see above), a letter is sent to the parent and a meeting is scheduled to discuss the attendance situation, stressing attendance is vital and there can be no more missed days. Parents are instructed that additional absences will warrant the principal to contact the Truancy Officer for the County.
3. When a student has missed 10 days, the Truancy Officer meets with the family.
4. When a student misses 15 days, the student and parents must appear before Judge Beagle. Student and parents are assigned a case worker for a 3-9 month program to be determined by the court.\*\*

**ASBESTOS MANAGEMENT POLICY**

In accordance with the Asbestos Hazard Emergency Response Act Regulations (AHERA), Holy Rosary School conducts an inspection, twice yearly, of all asbestos-containing materials in the school and church building. Certified maintenance staff conducts inspections during scheduled school vacation days. The most recent three year AHERA inspection was conducted in July 2015. The Asbestos Management File is located in the main office and is available for review by appointment Monday through Friday, from 9:00AM until 2:30PM.

**CAMPUS POLICY**

Holy Rosary is a Drug, Gun and Smoke Free Campus. This means no one is allowed to use drugs, carry a gun, or smoke anywhere on school property, either outside or inside the buildings.

## CHARACTER FORMATION POLICY

### BEHAVIOR

Holy Rosary Staff, in order to aid in the growth and development of our students, has developed guidelines for acceptable behavior. Students are expected to be polite and respectful towards others both on and off campus. Courtesy should be the hallmark of a student's relationship with adult staff and fellow students.

Holy Rosary staff worked to develop a set of classroom rules, procedures, and consequences, which are periodically reviewed with the students. Parents share the responsibility for guiding their children toward responsible behavior and providing Christian examples.

The following behaviors are expected of each student:

- **Reverence for God:** Students are encouraged to practice the Catholic faith through active participation in prayer and liturgies, reverence to God through their actions, and sharing of oneself through community service activities.
- **Respect for Self:** Each individual is a child of God. Each student's behavior will reflect this self respect. Each student should strive to reflect Catholic values in their daily behavior.
- **Respect for Others:** Each student, parent, teacher, staff member, and visitor will be treated as a child of God. Each student's behavior will reflect this respect for others through the following.
  - Always address faculty and staff members with appropriate respect, using titles proper to their positions (Father, Coach, Miss, Mr., Mrs., etc.)
  - "Thank you" is the expected expression of gratitude when assistance is given by adults or fellow students.
  - Always treat others with kindness in words and actions.
  - Respect the privacy of others.
  - The student will excuse him/herself when the student wants to interrupt an adult who is busy. The student is to wait their turn when the adult is talking to someone else.
  - Follow directions promptly.

- Common respect for adults requires a student to allow adults to pass before them when entering a building or room, and that the student will hold the door open for persons coming behind them into a building or room.
- When an adult corrects a student for some fault, the student will be quiet and listen until the adult is finished talking.
- Respect another's personal space by compliance with the "hands off" policy, keeping hands, feet, and objects to yourself.
- **Respect for Property:** Students are expected to utilize the facilities properly through the use of school property and equipment in a manner for which they were intended. Each student's behavior will reflect this respect for property through the following.
  - Preservation of all areas of the school campus by keeping them clean, neat, and tidy (such as cafeteria, classrooms, desks, hallways, lockers, playground, restrooms, etc.)
  - Courtesy demands respect for school property. Students are asked to help maintain the appearance of the campus by keeping the campus free of litter, and by treating the trees, plants, and grassy areas with respect.
  - While in the classrooms and buildings, students are asked to deposit trash in the trash receptacles located in each classroom or outside. No paper or other trash should be left on the floor of a classroom at the end of a class period.
  - Consume all food and drink in designated areas. Clean up after yourself.
  - No gum chewing is allowed.
- **General Rules:**
  - Do not bring toys of any kind to school unless prior teacher permission is given.
  - Do not bring the following items to school: roller blades, skateboards, electronic equipment, games, trading cards, toys, phones, etc.
  - Phones brought to school will be kept in the office until the day's dismissal.

### CHARACTER FORMATION

Developing moral character, along with educational goals, is incorporated into the total learning expectation of each student.

Each week, a virtue will be studied. The main objective of Holy Rosary's virtue program is to offer students, teachers, and parents a means to know, value, practice, and internalize virtues in a consistent and committed manner. The focus is on the practice and acquisition of specific virtues. **A virtue is a habitual and firm disposition to do the right thing. It allows the person not only to perform good acts, but to give the best of oneself (CC 1803).**

Students in Holy Rosary School are provided ongoing opportunities to exercise virtue on a daily basis. Virtue is taught and encouraged in all activities and circumstances of school life. The goal is to help students intellectually understand and internalize the virtues they are asked to practice. This serves to make these virtues part of their own life principles, helping them to become true leaders of character. For this reason, Holy Rosary considers formation in virtue to be a vital component of the educational program.

Holy Rosary School uses the Disciple of Christ Education Virtue Program adopted by the Diocese of Lansing.

### DISCIPLINE

Holy Rosary Catholic School's goal is to lead children to **self-discipline**. We believe that a student can be taught self-discipline skills as a part of the total school curriculum. Discipline is not viewed as punishment. The aim of discipline is to institute and maintain satisfactory educational conditions free from distracting behavior. Based on the respect of authority of others, discipline will develop the student's ideals, attitudes, and habits for good Christian living.

Since there can be no character formation without training in discipline, one of the most important lessons education can teach is discipline. While it does not constitute a subject, it underlies the whole educational structure. It is the training that develops self-control,

character, orderliness, efficiency, and the ability to cope with the responsibilities of adult life.

In order to promote the school's mission statement, we believe that no student has the right to interfere with a teacher's right to teach.

Consequently, **no student is allowed to interfere with another student's right to learn and a teacher's right to teach.** Students are expected to display Christian values, and respect themselves as well as their neighbor.

Our discipline program seeks to foster the values of a Christian community: kindness, courtesy, justice, respect, and cooperation. Discipline will be modeled after the sacramental life of the Church, with a special emphasis on the sacrament of reconciliation. In this sacrament, a faith-filled person acknowledges and takes responsibility for the wrongful actions he or she has chosen, atones and makes a sincere effort to do better. A student is challenged to acknowledge and take responsibility for the wrongful behavior, learn from the mistake, and make amends by trying to avoid this behavior in the future.

At school, discipline policies are intended to: promote personal responsibility and self control, provide a classroom environment conducive to learning, provide for the well-being and safety of each student, and promote cooperation between teachers and parents in supporting proper behavior.

The student's rights are:

- To have a teacher who is in a position to, and will, help the student limit his/her inappropriate behavior.
- To have a teacher who is in a position to, and will, provide the student with positive support for his/her appropriate behavior.
- To choose how to behave and know the consequences that will follow.

The teacher's rights are:

- To establish a classroom structure and routine that provides the most desirable learning environment in light of his/her needs and encourage the positive spiritual, social, educational, and emotional development of the student.

The parent's rights are:

- Parents have a right to expect quality Catholic education; that their children's safety will be paramount; that they will have reasonable access to instructors and administrators; and that they can present concerns and receive fair hearings.

The school's rights are:

- Holy Rosary School reserves the right to require a parent to withdraw their student(s) from the school.

**The following is designated to address as many areas as possible; however, it is IMPOSSIBLE to cover EVERY eventuality. Therefore, the administration reserves the right to address situations as it deems appropriate and to amend and/or waive policy for just cause. The administration reserves the right to also change consequences as it deems appropriate and to include consequences of lost extra-curricular activities, co-curricular activities, athletics, and clubs.**

#### ENFORCEMENT

Students are expected to follow the guidelines provided and strive to reflect the values of the school's Catholic tradition in their daily behavior. When a student chooses not to follow the prescribed rules, teachers will assist the student in identifying the behavior, discuss the problems the behavior causes, and focus on what the student can do to prevent a recurrence. The primary goal is not to find fault, but to help the student improve his/her behavior and do well in school. The school has an obligation to assist each student to assume more responsibility for his/her own actions as he/she matures and gains experience. For this reason, each student must be dealt with according to his/her age and maturity, abilities, and interests. This ensures that the means of correction will be appropriate to the maturity and grade level of the student.

#### MICHIGAN LAW: PUBLIC ACT 328

This law requires the expulsion of students who possess a dangerous weapon on school property (including a bus) or at school activities. The Michigan Law does provide for possible reinstatement by the Board of Education after a certain time period. If the student is in grade 6 or above, the student may be re-admitted after 180 school days. If the student is in kindergarten through grade 5, reinstatement is possible by Board action only after a 90-day suspension. Please keep this information updated by contacting the school office with any changes. Students are only released to those designated on the emergency card.

#### EMERGENCY/WEATHER SITUATIONS

Emergency situations can and do occur occasionally. The best way to handle them is to remain calm and cooperative. Each of these situations is by definition unique, but there are some general preparations which can be made to meet them. During a school emergency, please do not

## HEALTH POLICY

### ALLERGIES

If a student has allergies that are significant enough to warrant medication or accommodations in the school setting, a prescription and/or written evaluation from a doctor must be in the school office prior to the student's first day of school. All updated reports must be in the student's file in the school office.

### COMMUNICABLE DISEASES

Cases of contagious diseases should be reported to the school office immediately.

### FIRST AID

Minor first aid will be given in the school office. In the event of a serious injury, every effort will be made to contact the parents. If that is not possible we will contact the persons listed on the emergency card.

### HEARING AND VISION SCREENING

Hearing and vision screening is done every year by the Genesee County Health Department. Alternating grades are tested for hearing and vision, except kindergarten, which has both health screenings yearly. Beginning with the 2015 school year, all kindergarten students must submit that they have received hearing and vision screening prior to enrollment.

Hearing: Kindergarten, grade 2, grade 4

Vision: Kindergarten, grade 1, grade 3

### IMMUNIZATION REQUIREMENTS

Students enrolling in any grade must provide the school with an immunization record stating that the student has had immunizations as required by state law. If Immunization forms are not current, a certified, non-medical or physician signed medical waiver form must be on file with the office.

	<u>Age 4-6</u>	<u>Ages 7-18</u>
DTP	5 doses	5 doses
Polio	4 doses	
MMR	2 doses	2 doses
Chicken Pox Vaccine	1 dose	

### MEDICATION PROCEDURE

When it is necessary for children to take prescription medication during school hours, the following procedure will be followed:

1. The medication to be taken must be prescribed by a licensed physician. The physician dictates the type of medication, dose of medication, and the time it is to be given.
2. The parent will give written permission for the school to dispense the medication. Medication forms are available in the school office.
3. Medication that is to be dispensed at school over a long period of time must have a new medication sheet each month and updated doctor's orders.
4. All medications will be stored in the school office and containers will be labeled with the child's name when brought into the office.
5. It is the parent's responsibility to notify the school office when medication has been discontinued.

### **LIBRARY BOOK POLICY**

Students at Holy Rosary Catholic School visit the library once a week. Library books are checked out for one week but may be renewed twice. The due date is stamped in the back of the book.

A student is not allowed to check out more books until overdue books are returned. Lost books must be paid for at the current replacement cost plus the processing fee. All book fine money collected goes into the library book purchasing program fund.

### **LITURGY (MASS), PRAYER, AND SACRAMENTAL POLICIES**

As Catholics, we rely on God for His guidance and grace to live out our Catholic faith. We, therefore, begin and end each school day in prayer. Weekly school masses are held at 8:30AM on Fridays. The Mass and Eucharist are the foundation of a Catholic education: we draw our strength from it therefore it is mandatory that each student actively participate. We welcome parent, guardian, grandparent, etc. participation in school Masses.

CHURCH RULES: Remember that you are entering a Holy Sanctuary.

1. Walk in a straight line.
2. No talking, unless participating in verbal responses or singing.
3. Use Holy Water and kneelers properly.
4. Genuflect at pew upon entering and exiting the church.
5. Fill pews from the outside in.
6. Show respect for all religious traditions.

The Sacrament of Reconciliation is provided for students twice during the school year: During Advent and Lent. Adoration and Benediction are conducted on the First Friday of each month. Prayer services and the Stations of the Cross are scheduled throughout the year. An all school Rosary is held monthly with each class taking turns leading.

### **LOCKER POLICY**

Students (5<sup>th</sup> -8<sup>th</sup> Grade) will have the use of school lockers throughout the school year. It is their responsibility to keep their locker clean and free of refuse. No decals or stickers of any kind or locks brought from home are allowed. As with all school property, lockers are to be treated with care. Misuse of a locker will result in the loss of locker privileges and other serious consequences. A locker policy contract must be signed by student and parent.

## LOST AND FOUND

Lost articles are to be turned into the school office and will be placed in a lost and found near the front entrance to the school. If articles are not claimed within a reasonable amount of time (approximately one month), they are donated to charity. Please label your student's coats and lunch pails.

## LUNCH AND RECESS POLICIES

### LUNCH

Lunches are provided for those who wish to purchase them through the cafeteria. **Order forms are distributed to each student weekly. All lunch order forms must be returned on Monday morning by 8:30AM. Accurate lunch counts are imperative for the efficient operation of the cafeteria. If your child is not present for the lunch count on Monday at 8:30AM and is in need of a lunch, you must contact the school office and inform the office staff that your student will be ordering lunch.**

For students that bring their lunch, it is important that their lunch include healthy food and beverages. Please do not send sodas of any kind. Milk can be purchased and tracked on a lunch card. Water is always available for students. Lunch time is an important part of our school day and allows students an opportunity to learn and practice social skills. Parents may join students for lunch on special occasions and should submit a request to the office at least one day prior to the event.

- Glass bottles and containers **are not permitted.**
- Please do not send food that needs to be heated. We do not have the staff to accommodate this service.
- No student is to leave the school grounds during the lunch recess.
- Parent volunteers are needed daily for lunch duty.

### CAFETERIA RULES

Students are expected to:

- Speak in a normal voice (no shouting).
- Observe basic table manners.
- Listen to and show respect for all adults.
- Enter and exit the cafeteria quietly and orderly.

#### RECESS AND PLAYGROUND RULES

All children go outside for fresh air each day, weather permitting. Children are kept in only if it is absolutely necessary and if a written explanation from the parent is presented at the school office. If a parent feels it is necessary to keep a child in longer than two days, a note from the doctor must be presented to the school office.

Students in grades K-8 go outside on the playground unless the weather is rainy or severely cold (0 degrees Fahrenheit or below with wind chill). Studies have shown that a child studies better in the afternoon if he/she has been permitted to have this recess out of doors. We ask that you **do not** request that your child stay indoors **unless there is a note from your doctor**. We ask parents to see that children wear heavy outdoor clothing and boots in the wintertime. Only students with snow pants, snow boots, winter coat, hat, and gloves will be allowed to play in the snow.

Playground Rules:

1. Children are to be respectful, take turns, and be cooperative.
2. Students are to remain outside during the entire lunch recess unless weather interferes.
3. Students must ask permission to enter the building during recess.
4. Students are to remain on the playground within the eyesight of the playground supervisors at all times.
5. If any student leaves the playground without permission from the office, the parents will be notified.
6. Lunch boxes are to be kept in designated areas, clear of games and equipment.
7. No food or candy is to be taken outside.
8. No hard balls are permitted on the playground.

9. No radios, CD/MP3 players, iPods, or hand held games are permitted on the playground.
10. Fighting, interfering with other's games, or causing any disturbances on the playground is prohibited.
11. Inappropriate language, name calling, and gestures are not allowed.
12. Throwing snow **in any form** is not permitted.
13. When slippery, playground equipment is not to be used. No jumping from any equipment.
14. Stop play and line up when recess has ended.

Each student is responsible for the books and materials that are assigned to him/her and must have them covered at all times. **Paper or fabric covers are to be used.** If there is damage to the books that reduces the item's usability, 50% of the replacement cost is due from the student/parents. In the event of the loss of a book or serious damage, 100% of the replacement cost is due. Unpaid damage fees will put a hold on report cards, re-registration and transfer of records.

## **VISITOR POLICY**

We welcome visitors to Holy Rosary Catholic School; however, it is a good policy to screen visitors so that the student's welfare and the proper operation of the school are assured. We ask all visitors, including parents, to report to the school office upon arrival, sign in and pick-up a visitor or volunteer badge. At the end of your visit please sign out and return the badge.
