Questions & Answers

Is it safe?

Yes, it's the safest way to transfer money. There is not a risk of theft as with cash, and no opportunity for identity theft, because, unlike checks, no personal information is given.

How is my offering made?

Our parish bookkeeper will input your bank information and the amount of your offering based on your authorization form. The offering will be automatically transferred from your account to Holy Rosary's on the schedule you select. Transactions can be made from any bank or credit union.

How do I know my offering has been made?

Your bank statement will show your offering. If you have an on-line access to your account, you may also check it there.

Can I change my participation any time?

Yes, simply call or write the parish office. Please allow five business days to process your request.

Are there any fees for this service?

No. This is offered as a convenience for you, and you pay nothing extra to participate.

What if I change where I do my banking?

You simply fill out a new authorization form. They will always be available in the parish office and in the gathering space of the church.

How do I sign up?

Complete the authorization form and return it with a voided check (deposit slips do not work). You can drop it into the collection basket, or bring or mail it to the parish office.

Please attach a copy of a voided check – deposit slips do not work.

The Holy Rosary E-envelope Program

We are pleased to offer the E-envelope Program -- a modern and efficient way for you to make your Sunday contributions easier and more convenient.

The E-envelope ("electronic" envelope) Program takes the convenience and proven safety of such time-tested banking applications as direct deposits and automatic withdrawals and applies them to your regular Sunday offering. You can decide how much you want to give to the church each week (or each month), and that amount will be automatically transferred from your account to Holy Rosary's at regular intervals.

With the E-envelope Program, you can budget your expenses more easily, and have a regular record of your contributions throughout the year. You'll have fewer checks to write, which could save a few dollars by needing new checks less often. Plus, most importantly, you'll have the peace of mind knowing that your regular faithful contributions to Holy Rosary will be kept, whether you're home or away.

Likewise, by standardizing and regulating our income, from offerings in this manner, the church can better budget based on known quantities, as we will know what our regular year-round income from offerings will be.

We hope you will participate. It has proven successful in many other parishes, and we're confident that you'll find it a convenient alternative to your traditional form of giving.
